DETAILED ACTION

Election/Restrictions

1. Applicant's arguments in the response to restriction filed on 10/7/05 have been considered and are persuasive. Therefore, all the claims are considered and examined herein.

Allowable Subject Matter

2. Claims 61-128 are allowed.

3. The following is an examiner's statement of reasons for allowance:

The reason for allowance of claims 61- 82 is the inclusion therein of the limitation that of the varactor having a semiconductor island, as defined in claim 61, along with the other limitations in those claims;

The reason for allowance of claims 83-88 is the inclusion therein of the limitations that of the semiconductor island and multiple gate dielectric portions, as defined in claim 83;

The reason for allowance of claims 89-94 is the inclusion therein of the limitation that of the semiconductor island, defined in claim 89, along with the other limitations in those claims;

The reason for allowance of claims 95-106 is the inclusion therein of the limitation that of the semiconductor island, defined in claim 95 and plural gate electrode portions, along with the other limitations in those claims;

The reason for allowance of claims 107-116 is the inclusion therein of the limitations that of a plurality of gate electrode portions over a gate dielectric portion, and adjusting the plate and body areas to control the minimum and maximum capacitances of the varactor; and

The reason for allowance of claims 117-128 is the inclusion therein of the limitation that of varying the plate to body voltage while maintaining the gate to body voltage constant to cause multiple inversion layers in the body region, along with the other limitations in those claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
